Principal's Corner

Western Trail is the neighborhood right next to Joslin. Many of the residents attended Joslin previously. Recently, they hosted a fundraising event to support Joslin and one of the residents, Kathy Lenox, offered to match the donation. This afternoon, the Western Trail Neighborhood Association President, Dale Herron, presented a check of $2,127 to Joslin PTA. We are very grateful for the generosity!

Get Ready for the Science Fair!

The Joslin Science Fair is coming this January! Now is the perfect time for our young scientists to start brainstorming ideas, asking questions, and planning their exciting projects!

The Science Fair is a wonderful opportunity for students to explore their curiosity, get creative, and learn through hands-on experiments. Encourage your child to start turning their ideas into exciting discoveries!
