Principal's Corner

Wrapping Up the School Year. Thank you for your incredible support this school year. Together, we showed the district that Joslin is here to stay! While the fight is not over, our community's voice made a difference, and we are proud to continue for another year. As we head into summer, please continue paying attention to district budget discussions and realignment conversations.

Austin ISD Boundary Realignment. Support Joslin by participating in the Austin ISD Boundary Realignment Process, which will review school enrollment and attendance boundaries across the district, including Joslin's future. Families can attend virtual and in-person meetings throughout June or complete the district survey available through September 2026. Your voice matters!

Test results will be available in the Parent Portal:

- TELPAS: June 11
- STAAR: June 16
- STAAR Alt2: June 24

Summer Office Hours. Mr. Chang will be on campus Monday–Thursday from 7:30 AM–3:30 PM. Please check the school calendar for closure dates and call or email ahead to schedule an appointment.

Community Shout Outs.

- A huge thank you to Allie Cassel and the PTA Campus Beautification Team. Because of Allie's vision and dedication, our campus has beautiful outdoor educational spaces for students to enjoy and learn in.
- Thank you to Keller Williams Red Day volunteers for helping spruce up our track and paint our new rainbow walkway on May 14!

Congratulations to Our 5th Graders! the second cohort to complete the language pathways program! It has not always been easy, but your hard work and perseverance led to success. We are so proud of you!

PTA Membership Reminder. Don't forget to join PTA for the 2026–27 school year! Just like registering your student each year, PTA membership must also be renewed annually. Thank you for supporting our students, staff, and school community!

Welcome our new School Resource Officer (SRO), Officer Pettus! We are excited to have Officer Pettus join the Joslin community and look forward to the support and connections he will bring to our campus.
